June 3, 2024

The City of Spencer is accepting bids to move electric and water in the Van Buren Ag Learning Center for the purpose of creating a community kitchen. The following will need to be done.

1. Purchase and install a tankless natural gas hot water heater (4 gpm)
2. Re-locate electric, water (PEX pipe, hot and cold) and drain pipes within the building.
3. Purchase and install new electric outlets (3-120 outlets, 1-240 outlet).
4. Purchase and install new breakers in electric box as needed.

The Van Buren Ag Learning Center is open from Monday-Friday 8 am to 4:30 pm for interested bidders to come look at site and measurements. The city has the right to accept or reject all bids.

Bids will be accepted at Spencer City Hall, located at 12180 State Hwy 111 Spencer, TN 38585 until 4pm on June 17, 2024. For questions or more information please call 931-946-2351, Mon-Fri from 8am-4pm. The City of Spencer is an equal opportunity employer.
