City of Spencer

PROPOSED IMPROVEMENTS TO SPENCER CITY PARK

The scope of the project includes the labor and installation of a rustic outdoor stage with a metal roof, stage lighting, and electrical work. The Spencer City Park, is located at 100 IB Maynard Rd, Spencer, TN 38585.

The construction and installation include labor, equipment, and all other items necessary to complete this project. It will be the contractor's responsibility to have liability insurance during construction.

SPECIFICATIONS:

- Stage Dimensions: 15 feet by 30 feet
- Building Material: Pressure-treated lumber
- Roof: Metal roofing system
- Electrical: Exterior electrical outlets and stage lighting
- Lighting: Installed to adequately illuminate the stage area
- Design: Rustic-style outdoor stage structure to include steps and handrails
- Contact City Hall for a copy of example image for a general concept of the expected design.

GENERAL REQUIREMENTS:

- Contractor shall ensure all materials are suitable for outdoor use and weather exposure.
- Contractor is responsible for obtaining any required permits unless otherwise specified by the City.
- Worksite must be maintained in a safe and clean condition during construction.
- Final structure must be stable, durable, and suitable for outdoor public events and performances.

BID SUBMISSION DEADLINE:

Sealed bids will be received by the City of Spencer until 10:00 AM CST on April 24, 2026. At that time, bids will be publicly opened and read aloud. Disadvantaged, women, and minority owned businesses are encouraged to participate.

Questions concerning the plans or bidding documents should be directed to the attention of City of Spencer Mayor, Alisa Farmer.
